NEWARK

COUNCIL FIRES

1962

SENIOR CLASS PUBLICATION

RONDOUT VALLEY CENTRAL

STONE RIDGE , NEW YORK

In a valley closely nestled stands a School of fame,
Where the warriors once have wrestled, R.V.C. re-
mains.

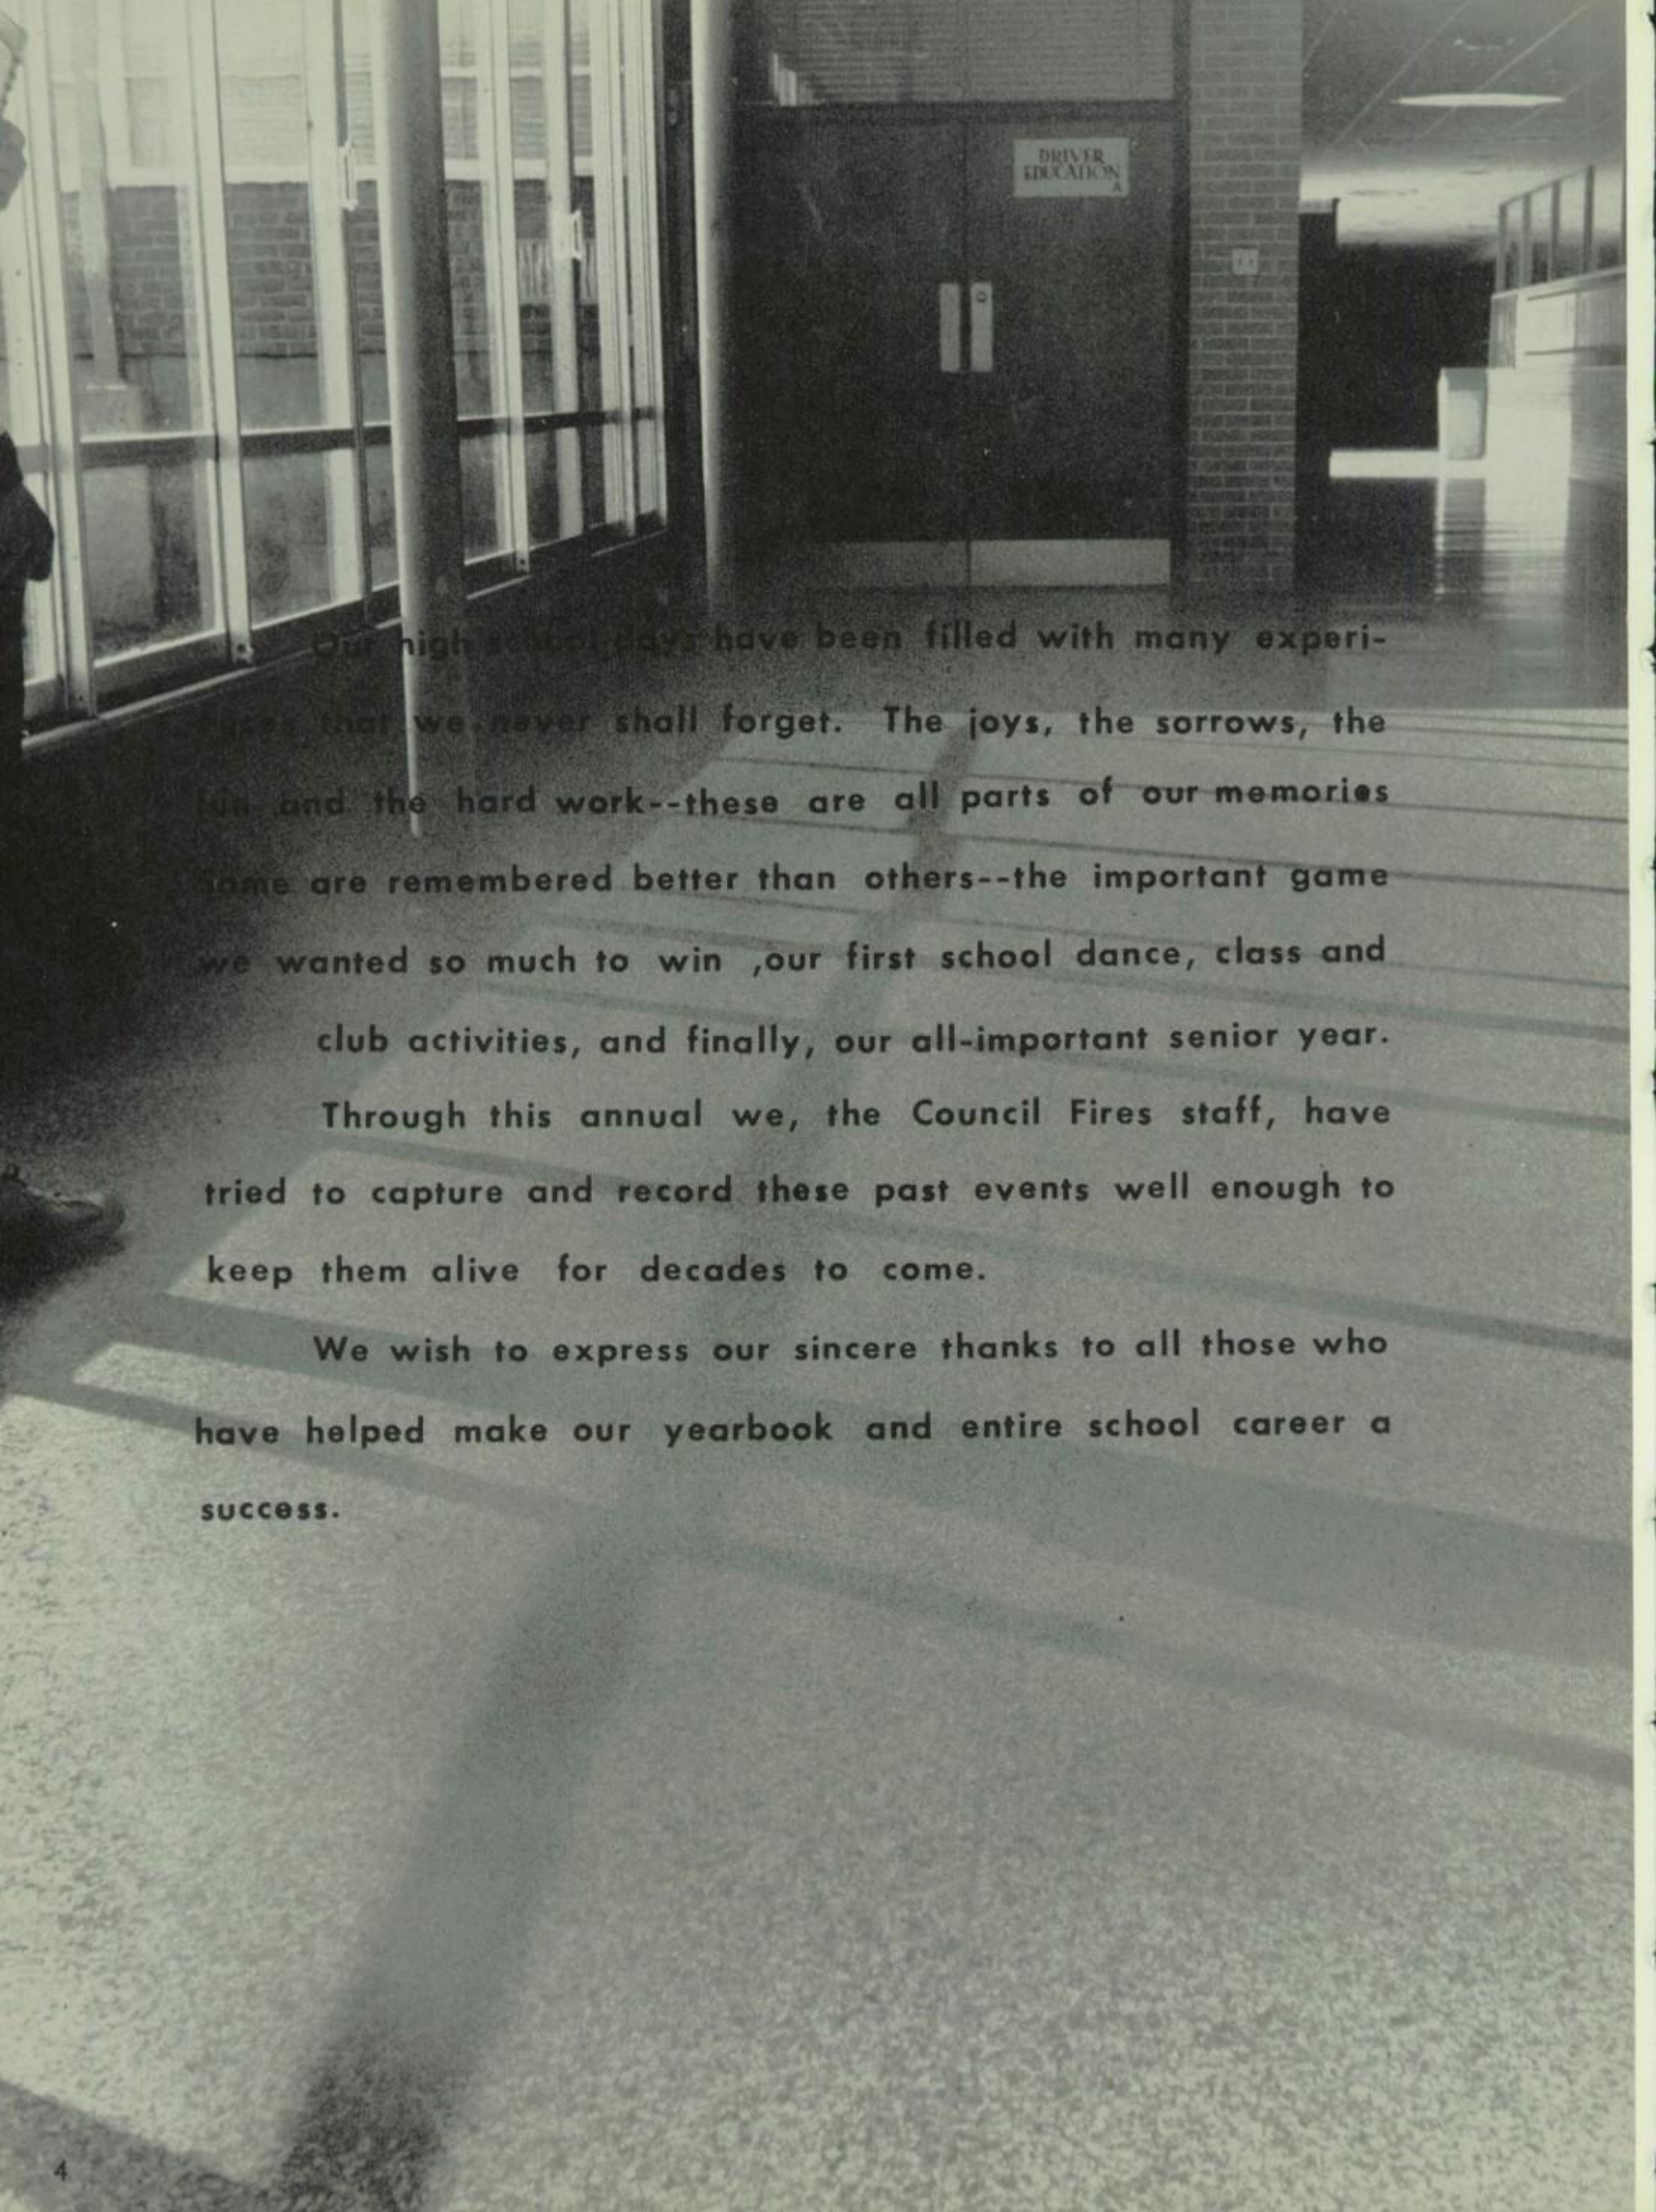

Hail the Blue and White forever, honor they pos-
sess,

We salute our Alma Mater, Onward RVC.

We will always sing Her praises, with a voice so
strong,

Filling all the air around us, rousing it with song
Hail the Blue and White forever, honor they pos-
sess,

We salute our Alma Mater, Onward RVC.

Our high school days have been filled with many experiences that we never shall forget. The joys, the sorrows, the fun and the hard work--these are all parts of our memories. Some are remembered better than others--the important game we wanted so much to win, our first school dance, class and

club activities, and finally, our all-important senior year.

Through this annual we, the Council Fires staff, have tried to capture and record these past events well enough to keep them alive for decades to come.

We wish to express our sincere thanks to all those who have helped make our yearbook and entire school career a success.

To Mr. Arnold Gottesman, in appreciation for his kindness and guidance, we the Seniors of the Class of 1962, gratefully dedicate this, our yearbook.

In Memoriam

Though Mr. Thurston was with us but a short time,
his contribution to the student body has the quality
of timelessness.

" . . . gladly would he learn and gladly teach."
Chaucer

In Appreciation

Although all of the teachers with whom we have been associated during the past twelve years have helped us grow into mature individuals and have unselfishly given of themselves, their time, wisdom, energy and understanding, we reserve a special place in our hearts for the following:

MRS. ELAINE DECKER - for your endless faith and loyalty to our class; for so patiently guiding us through the many important moments of our high school years - the play, the trip, the prom. These and many more of our endeavors could not have been successful - could not have even happened - without your aid and understanding. We realize that complicated situations often developed and that our problems were many, but, Mrs. Decker, through all these difficult times, we have emerged with fondness extending beyond the bonds of student-teacher relationships. We shall always remember you as a devoted teacher and true friend.

MRS. JENNIE DePUY - the guiding light of our formative years at Accord School. Through your efforts we gained knowledge and confidence in ourselves. Your ready humor and deep understanding will forever be with us.

MRS. JOSEPHINE LAWRENCE - whom we from the Marbletown School fondly remember for your dedication to teaching and your wise guidance. Our memories of your sincere friendliness, Mrs. Lawrence, will always linger with us.

MR. HAROLD ROSS - for your extreme interest in us, both scholastically and athletically; for your aid in building our characters and molding our personalities, we are sincerely grateful.

MR. EDWARD T. GREEN

District Principal

Dear Members of the Class of 1962:

Each year, many "experts" view with alarm world conditions. We are warned of the impending doom which faces us. Our daily living is characterized as the prelude before the storm. These persons would have us live in anxiety--almost abject fear, if you will. A new word has been introduced to describe this--nucleophobia.

I would suggest that you follow one of the characteristics of youth--confidence--and demonstrate that faith and hope for the future are far stronger than fear and anxiety. We need to demonstrate this characteristic more than ever for those of our elders who lack it.

Yours have been busy years--fraught with success and, sometimes, failure. That you have mastered them is evident in your reaching the high point in your career to date. This is but one such peak and we wish for you every success in climbing to new heights in the future.

May you enjoy health, happiness and success. God be with you, each and every one!

Sincerely yours,

District Principal

BUSINESS MANAGER

MR. HAROLD RICH is the Business Manager for the Rondout Valley Central School district handling the accounting and the payroll of the district. He also serves as the Clerk of our Board of Education.

TRANSPORTATION MANAGER

MR. CHARLES STRONG is the Administrative Assistant to the District Principal. He is Director of Transportation and also edits the district news bulletin and assists in the total administration of the school district.

BUILDING SUPERINTENDENT

MR. FRANK RACE is the Superintendent of the buildings in the entire school district. He is responsible for the maintenance and the upkeep of the grounds and buildings.

To All the Seniors of the Class of 1962:

Thank you for the opportunity to write a personal message in your "Council Fires." What can I note in keeping with the format of your nostalgic "pictorial diary" of your years at Rondout?

Surely as you leaf through these pages on various sad and happy moments of your lives, you will be choked with emotion. Your mental camera will focus on your teachers, your classmates and your friends. At times your screen will become fuzzy, but with a little adjustment become sharp again! You will be seeing the same events, only as time goes by, interpreting them a little differently each time. You will have matured--and your values will have changed, as well as your vision--for you will be able to "see" deeper into the machinations of human behavior. You will be amazed at your adolescent "blindness." You will probably wonder how you survived! And lest you become disturbed, this has been true of every adolescent generation.

Note that your generation has been full of hope and prosperity, mixed with the despair and hurt brought about through a continuum of hot and cold wars. You have been raised with television and jet flights which have served to bring the boundaries of the world closer together, yet at the same time, you have been threatened by an engulfment of Russian and Chinese Communism. Our hemispheres once distinguished by meridian lines are now distinguished by political ideologies--Democracy as opposed to Communism.

Soon you will be entering the longest and most responsible phase of your lives--"adulthood." We pray that the education you received in school and at home will enable you to find your "niche" in society. Remember, though, that good luck is all too often the "Residue of Design."

And as you read this in later life--what paths have the people of the world taken in 1970, 1980, 1990, 2000? Has the earth become only a part of your world? And what of nuclear energy--has it served to keep the peace and raise the standard of living of the people of the world?

I close with the blessings of the faculty--to you, our youth of today, parents and responsible citizens of tomorrow. God's countenance is upon you and for those who seek Him.

Your principal,

W. Chris Crespi

Our guidance department performs a number of important services which aid the total education program in achieving its aim and objectives. These services include pre-admission and orientation of students new to the high school; individual pupil study and program planning; group and individual counseling; curriculum study and advisement; group activities to promote cultural and educational growth; placement in college, business, and industry; and public relations between the school and community.

It is our sincere hope that these services will play a vital role in helping students at Rondout Valley become well adjusted and useful citizens, both now and in the future.

"OUR HEARTS WERE YOUNG AND GAY" Produced on November 17, 18

The lights were dimmed, while the audience waited expectantly. The curtain rose, to reveal a ship's cabin. A door opened at the back of the stage. A steward entered, followed by an elegantly dressed woman and her flapper daughter. The play had begun.

This then, was the scene in the Rondout Valley High School Auditorium on November 17 when the annual Senior Play opened its two night stand.

HONOR SOCIETY

ROW 1, L. to R.: H. Bastian, C. Confer, B. Quick, L. Feldshuh. ROW 2, L. to R.: Mr. A. Gottesman, R. Barnum, F. Albrecht.

Membership in the National Honor Society is based on the following cardinal characteristics: Character, Leadership, Scholarship, and Service. Its major function is to stimulate student interest and achievement in scholarship and to help the faculty and students in school affairs. Each Spring Rondout's chapter of the National Honor Society holds its annual induction ceremony followed by election of officers. It meets regularly during the school year to plan and execute its activity program. This year, the members acted as guides at the "Back-to-School" program for parents.

Dear Mrs. Barnum,
It's been great for
fun having you for
a teacher of mine. Although
I'm not smart enough to boost
the N.A.S. I'm signing
my morals so I might
even get a passing
mark on my Latin I
examination. I'll be
seeing you next year so
until then- adios! (Ha, Ha)

Dear Mrs. Barlicka,
 I've enjoyed Latin class
 this year that I think I'll
 take III + IV. Best wishes to

Dear Mrs. Barlicka,
 Although I came

Dear Mrs. Bareika,
I've been a
wonderful homeroom teacher.
You & my class
have had
a better future
than the others.

Dear Mrs. Bareika,

Latin III has been
wonderful this year,
and I'm looking forward
to Latin IV. I think that
after I've taken about
four more years of Latin,
I'll be able to translate
Cicero.

Love,

Helene Bastian

Dear Mrs. Bareika,

I've finally learned
the difference between quis and
qui. Although I'm not taking
Latin IV, I believe I'll remember
most of what I have learned
this year for a long, long time.
I hope your future Latin classes
will be as enjoyable as I feel
ours has been.

All my love
Judy Miller
